[XRUSH] RESPONSE: (1) I previously initialed and signed the 3-page IDS of 6-4-01 but this application 09/874,198 ~~does~~ appears on my "Special Inspected Docket."

So, I look for the IDS and found only the first page scanned into eDAM. I printed pages 2 and 3 and initialed and signed them again in hopes that they will be scanned too! INITIALS: ewc

NOTE: This form will be included as part of the official USPTO record, with the Response document coded as XRUSH.
